Tectubi Tianjin
11 Lujing Rd, Developing zone of Dong Li
Tianjin
300 300
China

Dear Sir

Based on the outcome of the Audit conducted and the corrective and preventive action taken by Tectubi Tianjin (RPS Audit Report nr: 001).

Robor Pipe Systems hereby approve Tectubi Tianjin to supply the following range:

Size: Seamless up to 36"
Welded up to 66"

Material: A 234 WPB, A 420 WPL6.

Please ensure that you comply with our order requirements and additional customer requirements if stated and or required.

A copy of our customer specification will be attached (when required); if for any reason in doubt or clarification is required please feel free to contact GJ Le Grange, gerriegl@robor.co.za (Quality Manager Petrochemical)

Robor Pipe Systems will submit a proposal to Sasol which will be reviewed and subject to the outcome Sasol will conduct an Audit on Tectubi Tianjin or approve (with or without additional requirements)

Regards,

GJ Le Grange
Quality Manager (Petrochemical)
